**PRODUCT INFORMATION** 

## HEAVY DUTY DIESEL ENGINE OIL EXTRANOL 15W-40 PREMIUM PLUS CJ-4/SN

**EXTRANOL 15W-40 Premium Plus CJ-4/SN** is formulated to meet or exceed the warranty requirements of most manufacturers of diesel engines. This oil is formulated to meet the Mack EO-O Premium Plus '07 specification and API CJ-4 specification for use in EGR equipped heavy-duty diesel engines in high output service. **EXTRANOL 15W-40 Premium Plus CJ-4** meets the performance requirements of most diesel engine manufacturers such as *Caterpillar, Cummins, Detroit Diesel, Ford, Mack, Navistar,* and *Volvo.* It can be used with complete success in over-the-road diesel trucks, off-highway diesel equipment, farm tractors, and passenger cars and light trucks with diesel engines, turbo-charged or non turbo-charged and well as gasoline engines (always check your owner's manual for required fluids). Since the introduction of ultra low sulfur fuels, high TBN oil is no longer a crucial need. Field tests have shown our CJ-4 oils *retain* TBN levels for longer periods due to the advanced technology of the new additive chemistry.
